

include/binary\_tree.h

```
graph TD; A[include/binary_tree.h] --> B[stddef.h]; A --> C[iostream];
```

A diagram showing a header file 'include/binary\_tree.h' at the top, with two blue arrows pointing down to 'stddef.h' and 'iostream' respectively. The boxes are rectangular with black borders. The top box has a gray background, while the bottom two have white backgrounds.

stddef.h
